Centrepiece		Home					MAEJ	6/03/1925			This large round centrepiece has a circular linen centre in which is mounted a smaller matching circular doyley for which the pattern is in the next month's issue. The linen is surrounded by 6-star mesh & 22 square swastikas arranged diagonally to form the border. The centrepiece on p. 182-3 is part of the <i>Swastika</i> luncheon set with a matching doyley from BA1,18 & smaller doyleys in MAEJ 6/03/1925.
Doyley		Home					MAEJ	6/04/1925			These small circular swastika doyleys complete the <i>Swastika</i> luncheon set.
Tablecloth		Home					MAEJ	6/01/1926			This straight-edged cloth has a border, corner medallions & serviette corners which resemble tatting. The border & serviette corners have 3 groups of 3 circles. The square medallion indented at the corners & along the linen edge has 4 groups of 3 circles. It is on pp. 45 -6.
Tablecloth		Home		Yes			MAEJ	1/04/1926	MUNC	1/09/1926	This square tablecloth has 4 open ovals arranged in a square, to form the border around a linen square with blunt corners where the lace is extended to form a square. The insertion just in from the edge is of rings set in mesh. It was called a <i>Handsome medallion</i> border.
Border		Home					MAEJ	2/08/1926			This border on p. 120 has scallops of 4 petals alternating with tassels for casement curtains, small tray cloths or pillow shams.
Traycloth		Home					MAEJ	1/11/1926			This butterfly border on p. 430-1 has open ovals for front wings & small circles for rear wings.
Border		Home					MAEJ	1/09/1927			This border on p. 220 has square tabs with a spray of flowers & leaves surrounded by rings with picots along a mesh border.
Luncheon set		Home	Cluny	Yes					MUNC	1/05/1922	The border of the centrepiece & oval doyley has groups of 'quads' (Ballantyne, 2021, <i>Mary Card's Legacy of Crochet Lace</i> , p. 59) separated by 8-petalled flowers, surrounded by a solid zigzag band with fans in the spaces forming the outer border. The centrepiece also has an insertion of 8-petalled flowers & groups of 'quads' as in the border. The hexagonal service-plates & the bread-and-butter plates have slightly different borders with groups of 'quads' close to the circular linen centre & open mesh fans with half flowers at the border. The oval doyley pattern appeared shortly afterwards in MAEJ 6/06/1922 without the centrepiece & plate doyleys.
Centrepiece		Home		Yes					MUNC	1/09/1919	This circular centrepiece has a border of dragonflies with mesh wings. The insertions worked separately then sewn in, are small circular motifs with radiating petals & strips with 6 ovals similar to the mesh wings.
